LEADERSHIP & INVOLVEMENT

Classics Club 2016–Present

Co-Founder, President, University of Kansas

After founding the Classics Club after the myriad of years that had passed since the original dissipated, several students and I worked to improve outreach for the department and build a larger student base that would be open to any and all with an interest in Classics. More specifically, I planned weekly meetings and events throughout the semester in addition to attending department meetings as the undergraduate ambassador.

Honors Seminar Assistant 2014–2016

University of Kansas

I introduced new honors students to the academic and campus life of the university and lead class discussions on a variety of topics including the cultural biases of map-making, meritocracy and education, the freshman year experience, *et al.*
