## LEADERSHIP & SERVICE

### Classics Club

2016–2018

*Co-Founder, President, University of Kansas*

After founding the Classics Club after the myriad of years that had passed since the original dissipated, several students and I worked to improve outreach for the department and build a larger student base that would be open to any and all with an interest in Classics. More specifically, I planned weekly meetings and events throughout the semester in addition to attending department meetings as the undergraduate ambassador.

**Honors Seminar Assistant**

2014–2016

*University of Kansas*

I introduced new honors students to the academic and campus life of the university and lead class discussions on a variety of topics including the cultural biases of map-making, meritocracy and education, the freshman year experience, *et al.*

**KU Young Democrats**

2014–2016

*Vice President, Secretary, University of Kansas*

During my various roles with the KU Young Democrats, I planned weekly meetings and events throughout the semester, redesigned the entire aesthetic for social media and outreach, and helped to raise \$700+ through a fundraising campaign with KU Endowment.
